InitiativesSLOs & AssessmentsCurriculumOrganization

This view demonstrates the landing curriculum page for a department or university administrator. This includes administrative functions that are different from the revision and addition capabilities that a faculty member sees.

Functions may be turned on or off based on role. For example, in some institutions a Dean may add TOP codes but not be involved in course approval.

## Curriculum Dashboard

**Approval Queue**  
In Your Queue: 3 Courses

**Curriculum Intelligence**  
Recommended Revisions : 17 SLO Issues - 14 Course Completion Rates - 9 Program Review

**Workflow Designer**  
Total Workflows: 8

**Add TOP and SAM Codes**  
Needing TOP Codes: 4 courses Needing SAM Codes: 14

**Add or Revise a Course**
